Blinds are supplied to order. Prices of intermediate sizes are determined by the next size according to the price table. The prices of blinds include soil-repellent treatment. Production tolerance  $\pm 0,5\%$ . Please note fabrics made of natural fibers may stretch during use.

The widths on the price table are the **widths of the ready made blinds**. The total width of classic roller blind is the same as the width of the fabric. The heights on the price table are the using heights including the fabric needed for the mechanism and finishing.

**When ordering, please indicate:**

- total width and height of the blind
- right or left hand operation
- wall or top fix

# FABRICS
